Day 1 – 9:00 am - 5:30 pm | Friday | June 20th | 2025 ***Reaching New Heights in Advanced Implantology -***

This conference will focus on advanced implantology and innovative solutions, providing you with essential tools to lead in dental implants.

Lectures Topics:

Pioneering the Future: Where is Implantology Headed and How Noris Medical Meets Tomorrow's Challenges

Conical Connection vs. Internal Hex: Advantages and Clinical Benefits for Each

All-on-X Solutions: Tailored Approaches for Perfect Aesthetic and Clinical Outcomes

Advanced Implant Solutions for Complex Cases

Expert Panel Discussion: Digital Guided Solutions vs. Freehand Techniques

Expert Panel Discussion: Managing Complications in Advanced Implantology

Day 2 – 9:00 am - 1:30 pm | Saturday | June 21st | 2025 ***Hands-On Model Workshop***

Practical workshops covering digital advancements, advanced surgical techniques, and full-arch restoration methods

Parallel practical Workshops – 9:00 am – 1:30 pm

There will be two parallel sessions of all four workshops, giving participants the opportunity to attend two of their preferred workshops.

The same 4-5 workshops from the morning session will be repeated, allowing participants another opportunity to attend their preferred session or explore additional topics.

Workshop 1: Surgical Protocol for Nasal and Pterygoid Implants

Workshop 2: Mastering Zygomatic Implants & Quad Zygo Techniques

Workshop 3: Mastering the All-on-X Technique & Advanced Prosthetics

Workshop 4: Elevating Your Practice with Digital Workflow & Guided Surgery

* Please note: Lecture topics ,workshops and schedules may be subject to minor adjustments at the discretion of the speakers. A detailed agenda, including speaker information, will be provided closer to the event.
